

# MOVING

In June, The Yocum Institute for Arts Education  
will be moving to our new facilities  
at 3000 Penn Ave, West Lawn

To celebrate this milestone, our final art exhibit in the Wyomissing building is entitled “Moving”.

The Institute is seeking artists to participate. We invite artists to interpret the word “moving” freely....work can be on the theme of “moving” or have moving parts. Works celebrating the history and mission of the Institute are also appropriate.

All media is welcome and the show is open to all artists. *There are no fees to enter.* The Institute commission on sold works is 30%.
